

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF LOUISVILLE)	CASE NO. 2000-080-A
GAS AND ELECTRIC COMPANY)	

ORDER

On September 27, 2000, in Case No. 2000-080, the Commission approved certain adjusted rates for Louisville Gas and Electric Company ("LG&E") and provided for their further adjustment on a quarterly basis in accordance with its gas supply clause ("GSC").

On September 29, 2000, LG&E filed its GSC to be effective from November 1, 2000 through January 31, 2001.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. LG&E's notice proposes revised rates designed to pass on expected increased wholesale gas costs to its customers. LG&E's proposed expected gas supply cost is 61.833 cents per 100 cubic feet, or \$6.1833 per Mcf, which is 54.74 cents per Mcf more than the previously expected gas supply cost of \$5.6359.

2. LG&E has no current supplier refunds to return to its customers.

3. LG&E's notice set out a current quarter actual adjustment ("AA") of 11.35 cents per Mcf to collect under-recovered gas cost from May, June and July

2000. The proposed total AA of 16.77 cents per Mcf reflects the current under-collection, as well as under- and over-collections from three previous quarters, and represents an increase of 8.46 cents per Mcf over the previous total AA.

4. LG&E's notice set out a Balance Adjustment ("BA") of 3.27 cents per Mcf to collect remaining under-collections from previous actual and balance adjustments. This is an increase of 33.59 cents per Mcf from the previous BA.

5. LG&E's notice set out its Performance-Based Rate Recovery Component ("PBRRC") of \$.0534 per Mcf which is designed to collect LG&E's portion of PBR savings from the 12-month period ending October 31, 1999.

6. These adjustments produce a gas supply cost component of 64.371 cents per 100 cubic feet or \$6.4371 per Mcf, 96.79 cents per Mcf more than the prior gas supply cost component of \$5.4692 per Mcf.

7. The rate adjustment in the Appendix to this Order is fair, just, and reasonable, is in the public interest, and should be effective with gas supplied on and after November 1, 2000.

8. LG&E filed with its notice a petition for confidential treatment of supplier information filed in Exhibit B-1, pages 5 and 6 of 6. LG&E has established that the publication of such information is likely to cause competitive injury to LG&E. Therefore, its request that the identity of each supplier be kept confidential should be granted.

IT IS THEREFORE ORDERED that:

1. The rate in the Appendix to this Order is fair, just, and reasonable and is effective for gas supplied on and after November 1, 2000.

2. Within 30 days of the date of this Order, LG&E shall file with this Commission its revised tariffs setting out the rates authorized in this Order.

3. LG&E's request for confidential treatment of Exhibit B-1, pages 5 and 6, is hereby granted.

4. LG&E shall inform the Commission in writing at any time when any of the material granted confidentiality herein becomes publicly available or no longer warrants confidential treatment.

Done at Frankfort, Kentucky, this 26th day of October, 2000.

By the Commission

ATTEST:

Deputy 
Executive Director

APPENDIX

APPENDIX TO AN ORDER OF THE KENTUCKY PUBLIC SERVICE COMMISSION IN CASE NO. 2000-080-A DATED OCTOBER 26, 2000

The following rates and charges are prescribed for the customers served by Louisville Gas and Electric Company. All other rates and charges not specifically mentioned herein shall remain the same as those in effect under authority of this Commission prior to the effective date of this Order.

Gas Supply Cost Component

The total Gas Supply Cost Component shall be 64.371 cents per 100 cubic feet during the period covered by the bill.
